boolean

object

float

Question 5 of 5

The screenshot shows a web browser window with multiple tabs. The active tab is titled 'Quiz' and the address bar shows the URL '127.0.0.1:5500/QUIZ_TOOL/Quiz_tool.html'. The browser's taskbar at the bottom displays various application icons, including McAfee Security, Dell, Gmail, Home, YouTube, Google Earth Engine, 14:50, Maps, Complete Google E..., Get Vaccinated, We..., and EarthExplorer. The main content area of the browser displays the quiz results page. At the top, there is a green banner with the word 'Result' in white. Below this, the text reads: 'Thank you! Here are your results:', 'Score: 4/5', and 'Marks percentage: 80%'. The page has a light gray background with a white central area for the text.

Result

Thank you! Here are your results:
Score: 4/5
Marks percentage: 80%
